MAYOR'S COMMENTS

Mayor Zimmerman reminded members of Council about the February SCGOA meeting. The speaker is Rich Bagger and it is being held at Mangiano's in Bridgewater. There were tickets still available if anyone was interested.

Mayor Zimmerman stated that the Borough has been approved to receive a \$73,000.00 grant for the crosswalk signs, so there is no longer a need for the pilot. Mayor Zimmerman also mentioned the Borough was not approved for improvements to Reeve Road.

Mayor Zimmerman updated the Council that Senator Lesniak withdrew the S-1 bill after the Governor vetoed it.

Mayor Zimmerman informed the Council that there are some new modifications to the OPRA laws pending, which he urged people to contact their senators to oppose it, as one of the modifications is that nothing can be discussed in the meetings unless it is on the agenda. Also it will change the timing of meeting notices from 48 hours to 72 hours.

Mayor Zimmerman informed Council Member Donahue that the "no parking when snow covered" signs need to be installed at the Borough Hall as soon as possible, as there was an issue with the last storm.

Mayor Zimmerman stated he received a notice of the Jefferson awards, which is an award the Governor presents for volunteerism. Mayor Zimmerman asked that the Council support nominating Raymond Whitlock, as he is a wonderful example of what this award stands for. Acting Clerk Newman volunteered to write the essay needed for nomination.

Mayor Zimmerman stated that he would like to create an ad hoc committee consisting of Jared Witt, Randie Zimmerman, Connie Hallman and Joshua Hochberg, liaison to the council. The anticipated focus of the committee will be to put Rocky Hill back to work. The committee plans to help residents with resumes, interview skills and create a database of residents who offer services such as painting, plumbing, and carpentry. Mayor Zimmerman felt the residents of Rocky Hill would rather hire a neighbor than an outside contractor. The committee will also compile a list of people who have expressed interest in volunteering. Mayor Zimmerman stated having names handy would help gather crews when it comes time to clean parks and paint things. Attorney Cruz stated that Jean Strupinsky was the business advocate for Hillsborough Township that organizes monthly meetings for local businesses. Attorney Cruz stated he would be happy to introduce Jean to anyone on the committee.

Approved 2/23/2011

Mayor Zimmerman stated the squad was told to fill out vouchers by the auditors. The squad is complying. The squad also submitted a budget, which is something that has not been seen before. Mayor Zimmerman stated these are steps in the right direction, however, there were several vouchers that are concerning. Mayor Zimmerman stated one being the mortgage, the Borough does not own the building, and therefore the Borough may not be allowed to contribute toward those costs. CFO Monzo stated the Borough is permitted to contribute to equipment and emergency needs as per state statutes. Mayor Zimmerman stated that after looking through the bills with CFO Monzo, they determined that there are several vouchers that can be paid through the Borough's contribution. Mayor Zimmerman asked that the Council approve \$10,000.00 to be paid at this point, while the other vouchers are researched for approval. Attorney Cruz reminded CFO Monzo that state statute N.J.S.A. 40:5-2 refers to rescue squad contributions. Mayor Zimmerman also stated that if the costs continue to rise, the Borough might have to look at other options for a Rescue Squad. Council Member Bremner would like the rescue squad to address the audit issues and how they will be corrected moving forward.

Pest Control- Council Member Donahue stated that he negotiated with Western Pest Services, as suggested by Council, and secured a contract for \$336.00 per year for mice, bees and various other bugs.
